'School Chale Ham'

Partner: Bank of India (BOI)

Execution: Dulari Devi Foundation/Gyansthali Academy/Gyanshala

The Initiative

The Dulari Devi Foundation successfully distributed school bags to underprivileged students, generously sponsored by Bank of India. This drive focused on providing essential resources to children who are determined to learn despite their financial challenges.

Reach & Distribution

The bags were distributed across our key educational centers to ensure maximum impact:

- **Gyansthali Academy:** Supporting students in their formal academic journey.
- **Gyanshala:** Providing resources to our primary learning centers.
- **Juggi Schools:** Empowering children living in slum clusters to stay motivated and attend classes regularly.

The Impact

- **Student Morale:** A new bag has given these children a sense of pride and a reason to smile.
- **Practical Support:** Protects books and stationery from wear and tear.
- **Future Ready:** Encouraging consistent school attendance across our urban and rural projects.

"We thank Bank of India for their invaluable support. By equipping our students at Gyansthali, Gyanshala, and our Juggi Schools, we are building a stronger foundation for their future."
